

APPLICATION FORM BCO NextGen Committees

The BCO's mission is to research, develop and communicate best practice in all aspects of the office sector. It delivers this by providing a forum for the discussion and debate of relevant issues.

To support this key objective the BCO has a number of committees which work under a number of remits including research, regional and international specific areas and the next generation of BCO membership.

A full list of committees and terms of reference can be found at <http://www.bco.org.uk/AboutUs/Committees/Committees.aspx>. Information of the NextGen initiative and committee members can be found at <http://www.bco.org.uk/AboutUs/NextGen/NextGen.aspx>.

Membership of each committee is reviewed on a regular basis to ensure that there is a good balance between the necessary skill sets required by each group. We cannot guarantee that you will be placed on a committee but all applications will be put forward when a space becomes available.
