

Gary Tucker

Managing Partner
Hoare Lea

Gary is Managing Partner of consulting engineers Hoare Lea and is responsible for their business in the UK and overseas. Gary joined Hoare Lea as a graduate in 1981.

He was previously responsible for the Birmingham office of Hoare Lea and has been involved with some of the city's most significant office projects including Arena Central, Brindleyplace, Baskerville House, Colmore Square and The Cube. Several of his projects have been BCO award winners.

Gary has a particular interest in sustainability and has been producing BREEAM Excellent rated office buildings for over 10 years. He is able to deliver sustainability to commercial clients without compromising the other important aspects of a project.
