

Mark Findlay

Partner

Gardiner & Theobald

Mark is a Chartered Quantity Surveyor with over 17 years of experience in the construction and property industry. He has worked in a variety of consultancy roles throughout this time and also a development role.

For the last 6 years Mark has been in charge of Gardiner & Theobald's Edinburgh Office having previously worked in the Glasgow Office. Within this time he has successfully delivered numerous projects in sectors such as Retail, Energy, Health, Education, Aviation, Residential, Leisure, Infrastructure and Office.

Mark has a BSc Hons in Building Economics from Heriot Watt University, Edinburgh and an LLM in Construction Law from Strathclyde University.

Gardiner & Theobald is one of the UK's leading project and cost management firms, providing expert advice on all matters pertaining to construction projects. Our corporate mission is to maximise the performance of our clients' construction and property activities in relation to their core businesses. We offer a full range of services to the construction industry, including management of the development, of the project, of cost and of construction and, once the project is complete, of facilities.

Gardiner & Theobald LLP employs in excess of 750 staff with over 170 years experience in the management of all types of construction. The practice is based in London, with fourteen regional offices throughout the United Kingdom, as well as offices and associations covering more than 25 countries worldwide. Gardiner & Theobald LLP is wholly owned by its current partners.
