A POWERFUL COMMUNITY

The BCO provides a unique platform for occupiers to connect with like-minded industry professionals and exchange ideas that address the challenges occupiers and estate managers face. With plenty of opportunities to network at our events, you can make new connections and start sharing best practice, knowledge and experience straight away.

INNOVATIVE RESEARCH

Research is at the heart of the BCO and is focused on delivering clarity and best practice to all involved in the office sector. With free access to our online research library, members can make use of a wealth of knowledge. The BCO also produces a range of market-leading best practice guides for the commercial property sector, including the BCO Guide to Specification, which is free for members.

BCO Guide to Specification
With contributions from around 150 leading experts, the BCO Guide to Specification brings together the whole sector’s knowledge into one document. Available in print and digital format this industry guide continues to set standards in the office market for professionals and occupiers across the UK.

BCO Guide to Fit Out
One of our most popular publications, this best practice guide provides occupiers with a clear framework on which to base their office fit outs. Written by professionals and peer reviewed by occupier representatives, the BCO Guide to Fit Out is accessible to the wider market and an invaluable reference for occupiers who commission office fit outs.

Connect with other occupier members, including BBC North, BT, Deutsche Bank, KMPG, PwC and Vodafone.

BCO events range from tours and seminars on topical issues to our flagship Annual Conference and Awards programme.
